The Sunbury Junior Jets Coaches and Assistant Coaches Vacancies for the 2011 Championship Season

The Sunbury Jets Basketball Association is seeking interest from Coaches with prior experience coaching basketball to fill key coaching roles within our Junior Jets Program for the 2010 – 2011 season.

Vacancies exist in all age groups and across all levels of Basketball in both our boys and girls program will become available. We are looking for experienced coaches who wish to become an integral part of the Junior Jets Program. A remuneration package can be negotiated based on experience.

In addition to vacancies for experienced representative coaches we are also seeking Assistant Coaches for all teams; this role is regarded as a development role and would suit applicants with limited coaching experience and a desire to improve their coaching skills under some of the best coaches in the region.

The aim of the Junior Jets Program is to promote the game of basketball within our community and to develop players to compete at the highest level.

Coaching positions involve a commitment to Friday night games, Sunday training and mid week training (for some teams) during the VJBL season. Teams are also expected to play in the tournaments during the season.

Expectations of all interested coaches are as follows:

- Adhere to the Basketball Victoria Coaches Code of Conduct
- Complete a Working with Children (WWC) Form and a VJBL Statutory Declaration Form
- Assist at the Sunbury Jets representative trials, and work with fellow Sunbury Jets coaches in selecting the final teams.
- All Coaches will be highly organised, be willing to work as a team and possess and teach Basketball fundamentals
- Agree to attend periodic Coaches Meetings and Development opportunities

Interested Applicants should fill out the attached application form and then send that, along with any additional information to jets@sunburybasketball.com.au

Applications close: Friday September 17th 2010
