

COACHING VACANCIES – JUNIOR BRONCOS TEAMS 2010/11

Applications are now being taken for Coaching appointments to our junior boys and girls teams for the 2011 Victorian Junior Basketball Leagues season.

We have great facilities, an integrated program all the way to our Youth League and Championship Division Teams in the Big V competition.

The Association has consistently been represented at the Victorian Championships level across all age groups and gender, and while we have always been competitive, are serious about adding to the State Titles we have won in the Under 12 Girls, Under 14 Boys, and Under 18 Girls sections.

If you have had recent experience at the elite representative levels, relevant basketball coaching qualifications, and/or have a record of success in coaching at the junior or senior elite levels, we would be very interested in hearing from you.

Applications close on 28 August 2010,

Enquiries may be directed to Robert Black, Junior Development Manager on 0457 084 595 or bba.juniordevelopment@bigpond.com

Applications can be emailed to the above email or mailed to Broadmeadows Basketball Association PO Box 1407 Tullamarine 3043.
