## SELECTION PROCESS FOR ELTHAM WILDCATS BOYS CHAMPIONSHIP PROGRAM 2010-2011

Boys (and their families) interested in a position in one of our Friday night teams next season should note that selection for these teams covers a range of processes and has already begun. The current trialling period incorporates many or all of the following facets:

- Current performance with existing teams and any special training which may be arranged;
- Coaches observing and investigating current players and discussing with previous coaches,
- Age group trial sessions in August, September or October 2010 (see notice for details);
- At least two Friday nights of games against another club, trialling various team mixes;
- Fluid Squad trainings for prospective team members during the weeks after the trial session;
- Continued viewing and discussion of prospective players by/between coaches and advisors;
- For further details about Selection Policies see the policy on the Eltham Club Website.

## PLAYER/FAMILY OBLIGATIONS FOR ELTHAM WILDCATS BOYS CHAMPIONSHIP PROGRAM:

This document is to inform players and their families of the obligations to which they are agreeing by accepting a position in the championship program.

- Attendance at all games and practices except where illness or important family obligations necessitate otherwise. Notification to the coach in these instances is essential.
- A dedication on the part of the player to train hard, learn new skills and to fit into a team. Training should be supplemented with individual practice of fundamentals during the week.
- Co-operation in the observation of championship and team rules relating to uniform, warm-up gear, arrival time and conduct on court and bench.
- Generally player in U12, U14 & U16 championship teams (apart from first teams) are required to participate in Eltham or smaller clubs Saturday teams with exception on the basis of a formal request to the Boys Championship Committee. **In the first season in championship, these players must also be supporting a domestic team.**
- Players must pay their annual subscriptions by the required date (unless alternative arrangements with the Subscription Secretary have been agreed to) otherwise they may be prevented from participating in games until outstanding monies have been paid. Please contact the Subscription Secretary for current details of annual subscriptions.
- Families need to be aware of the travel commitments of championship basketball that vary according to the level. The VJBL and Regional competitions have undertaken some rearrangements to reduce travel, especially for younger age groups.
- Families also must realise that any commitment by a player is for the ENTIRE season irrespective of later motivation. The family of any player who participates in Championship Phase Two will be liable to pay full fees for the entire season except in the case of serious injury/illness or substantial residential moves.
- Absolute commitment to the BV Codes of Conduct is required from player and their families. Violence and abuse will not be tolerated and reports can lead to extensive bans and other penalties.

**A copy of the Eltham Wildcats Boys Championship Program is available for perusal at the Club Office and we would encourage you to familiarise yourself with this. Also families are urged to read the document "Eltham Wildcats Boys Championship Purposes, Goals and Commitments" on the website or available from the Club Office.**
