

EAST QUALIFYING BULLETIN 24th June 2010

A REMINDER ABOUT SCORING

In the last few weeks there have been a number of instances where there has been controversy about the scores or the wrong score has been imputed in the online results.

To avoid these situations:

- Regularly check the running total against addition of scores of players
- Check running total against display board
- At next whistle clarify with referees any uncertainty about scores (or fouls).
- **Scorer** adds up scores at the end of the game.
- **Referees** check scores and sign off.
- **All Bench Officials WAIT.** Until scores have been verified by referees in case there is a controversy.

12 E2 continues to be remarkably even. Warrandyte (2), Eltham (4) and Frankston (5) all defeated teams higher on the ladder. Every team is still in the race to make finals.

12 E3 There is a top 8 here, so Blackburn (3)'s win over Kilsyth (5) was significant in the battle for the 7th/8th positions. Six teams seem safe.
